Foreign controlled enterprises in Sweden 2018

Once again it is time for the survey Foreign controlled enterprises in Sweden where Statistics Sweden collects information on behalf of the Swedish Agency for Growth Policy Analysis (Growth Analysis) which is the government agency responsible for the official statistics in this area.

The information you submit to us is needed to illustrate the scope and changes on foreign ownership of enterprises and branches in Sweden.

This is a total population survey, which means that all enterprises and branches that are foreign-owned are included in the survey.

Participation is obligatory

You are required to provide information for this survey. More information about this is available on the next page.

Please submit your information no later than 25 February 2019

The information refers to corporate registration number:

Enter www.scb.se/utl-eng. Log on to the website and you will find all the information you need to submit the information. You can log on as many times as you like and save the information each time. By doing so you don't have to fill in all the information at once.

How the information is used

Besides Growth Analysis, the statistics are also used by Invest Sweden, The Government Offices, OECD and the EU. To decrease the respondent burden, the information from this survey is combined with other statistics from Statistics Sweden.

Obligation to provide information

There is an obligation to provide information according to The Official Statistics Act (2001:99). The statistics for this survey are also regulated according to the Official Statistics Ordinance (2001:100) and Growth Analysis Ordinance (MTFS 2009:1).

Consultation

Consultation has taken place with the Board of Swedish Industry and Commerce for Better Regulation (NNR).

The information you submit is protected

The information you submit is held confidential according to Chapter 24 Section 8 of the Public Access to Information and Secrecy Act (2009:400). When the information is published, no single enterprise can be identified. However, information on foreign ownership and country is submitted to the General Business Register (BASUN) according to the Ordinance on the General Business Register (1984:692). Information in BASUN is not confidential.

Rules on handling personal data are contained in the EU's General Data Protection Regulation, the Official Statistics Act (2001:99) and the Official Statistics Ordinance (2001:100). In addition, there are rules in the Act on supplementary provisions to the EU's General Data Protection Regulation (2018:218) and in regulations issued in association with the Act. You will find more information on www.scb.se/personuppgifter

Information about personal data

To facilitate any future contacts, we have saved information about who is the contact person for the survey at your organisation. Statistics Sweden is responsible for the handling of personal data in connection with this survey. Everyone has the right to obtain one copy free of charge, in the form of a register extract, of the personal data processed by Statistics Sweden in its capacity as the party responsible for personal data. If someone believes that Statistics Sweden has handled your personal data in a manner that infringes the EU's General Data Protection Regulation, you have the right, under certain conditions, to have your personal data erased.
