

Camping sites

Text file specification for reporting with a structured text file from booking systems for accommodations statistics

Field name	Field no.	Format	Length	Comments
Camping card number	1	N	0–14	This field can be left empty or zero padding, max 14 positions.
Number of nights	2	N	1–3	Number of nights for the booking, eg. 11.
Number of adults	3	N		Only report guests visiting for business or leisure. Do not include guests that have been used for asylum accommodation, staff accommodation, social services, owner bookings or similar.
Number of children	4	N		Only report guests visiting for business or leisure. Do not include guests that have been used for asylum accommodation, staff accommodation, social services, owner bookings or similar.
Form of accommodation	5	N	1	1=caravan; 2=campervan; 3=tent/rooftop tent; 4=cottage/mobile home/glamping; 5=other accommodation
Country of residence	6	T	2	The country in which the guest has lived for the past 12 months or more. The country of residence may be different from the guest's citizenship. Specified by using the international standard ISO 3166-1:1997, for example FI, SE. Current list is available at www.scb.se/inkvartering
Date of arrival	7	N	6	Use the format YYYYMM, e.g. 202401. Only report guests visiting for business or leisure. Do not include guests that have been used for asylum accommodation, staff accommodation, social services, owner bookings or similar.

Date of departure	8	N	6	Use the format YYYYMM, e.g. 202401. Only report guests visiting for business or leisure. Do not include guests that have been used for asylum accommodation, staff accommodation, social services, owner bookings or similar.
SCBid	9	N	4	The camping site's four digit identity, SCBid.
Accommodation revenue	10	N		Accommodation revenue for the booking. Include electricity and exclude VAT. Report in whole Swedish kronor (SEK).
CR	11		2	Carriage Return (enter)

N = Number, T = Text

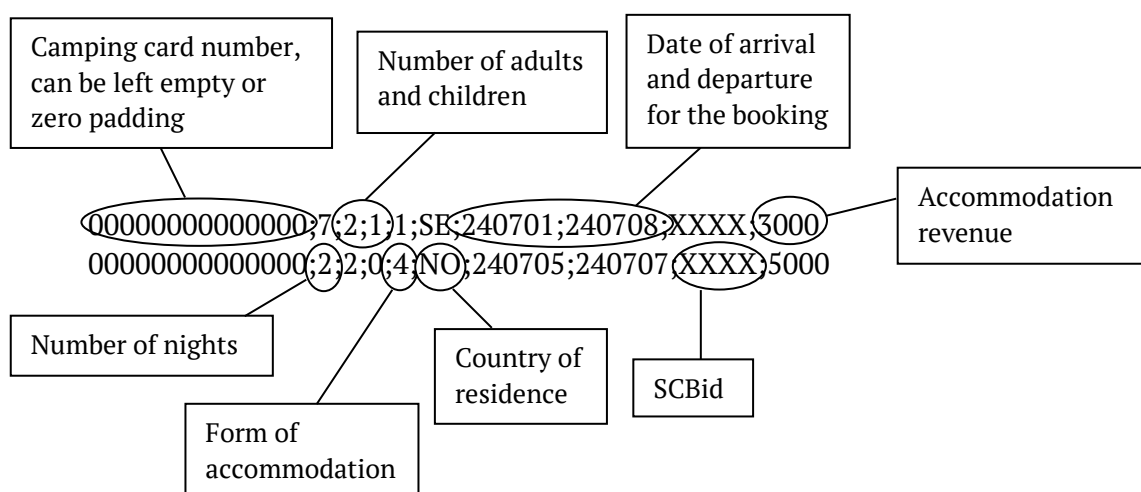

Separated by semicolon. One separate row per booking.

A booking may only be reported once.

Example

Booking 1: A family with two adults and one child stays 7 nights in caravan during the month of July. Their country of residence is Sweden and the accommodation revenue is 3000 SEK.

Booking 2: Two adults with no children stays 2 nights in a glamping tent during the month of July. Their country of residence is Norway and the accommodation revenue is 5000 SEK.

How to submit your file to Statistics Sweden

The text file should be saved to the user's computer and then uploaded after logging in to www.scb.se/inkvartering

Test

Prior to implementation, test files must be submitted for approval. Send test files to inkvartering@scb.se
